MUSIC CAMP 2008

FORM-A

From: Friday 23rd May 5.00pm

To: Sunday 25th May 3.30pm

Dear Parents/Guardians,

All students from the Performance Band, Concert Band, Training Band and the Strings Orchestra ensembles are expected to attend Newport School Music Camp at The Collaroy Centre, Homestead Avenue, Collaroy Beach from **Friday 23rd May till Sunday the 25th May 2007**.

This Camp is the most important single event of the Music Program's year and combines intensive music tutorials with games and activities culminating in a combined concert for all parents and friends on Sunday at 2.30pm. Under the guidance of Music Director John Stone and his tutors, the children are placed in a wonderful learning environment where they can focus on their music without other distractions, and develop camaraderie with other students which spans all age groups. Activities are built into the weekend and include a games evening, a choice of professionally supervised outdoor activities, ball sports and a movie night.

All past camps have produced a significant improvement in student's musicality and musicianship along with a confidence and pride that comes with being a part of their school's performing music ensembles. Children leaving camp for other commitments (sport) **cause significant disruption**, this is one weekend for the year, please arrange to attend the full program. This is a fun weekend, NOT TO BE MISSED.

Students are accommodated in ensuite cabins of 6 or 8. If your child has a preference for a room mate please forward this info to Judi Morrison via email only at judi@eyrie.net.au We will try to accommodate request but there are no guarantees.

Enclosed is a program; list of items to bring; a medical questionnaire; a personal details form; and, a fees and consent form. Fees cover 2 nights of accommodation, all meals and your child's tutoring and activities. Fees for Music Camp 2008 are set at \$190.00 per student.

Please consult the following checklist. The Collaroy Centre requires final numbers now so please be prompt with your replies.

CHECKLIST:
